

True Blue Chemicals

Childcare Cleaning Solutions

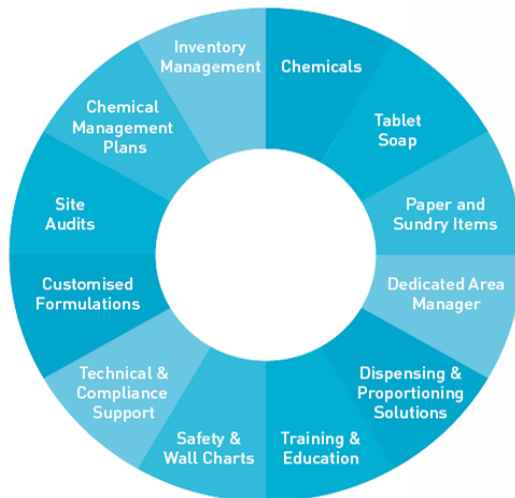

- Outstanding performance
- Ultra concentrated
- Economical
- Safe

True Blue Chemicals is an Australian manufacturer of quality cleaning chemicals. We have a range of products ideally suited for schools and child care centres.

Our range is extensive with a broad range of products for the bathroom, kitchen, classroom and outdoor play areas. We support our product range with training, dispensing and compliance programs to provide a full service package.

For an obligation free site audit on how we can help your centre contact True Blue Chemicals on 1800 635 746.
